SCHLESWIG-HOLSTEIN

Conservation of beach-breeding birds in the Northern Wadden Sea

**List on the island of Sylt the 24th of November 2016, 10 am to 3 pm,
Erlebniszentrum Naturgewalten**

Program

Opening of the workshop by the organizers, greetings from Dr. Matthias Strasser (head of the Erlebniszentrum Naturgewalten)

Short round of introductions

Part 1: Schleswig-Holstein Wadden Sea

Dominic Cimiotti (Michael-Otto-Institut im NABU):

Conservation of breeding plovers in the Schleswig-Holstein Wadden Sea

Benjamin Gnep & Klaus Günther (Schutzstation Wattenmeer e.V.):

Experiences and results 2016 of the conservation project on beach breeding birds of Schutzstation Wattenmeer e.V.

Part 2: Danish Wadden Sea

Thomas Bregnballe & Ulf M. Berthelsen (Aarhus University):

Development and status of the breeding population of Little Terns in the Danish Wadden Sea

Ulf M. Berthelsen & Thomas Bregnballe (Aarhus University):

Ringling of Little Terns in The Wadden Sea: Experiences, possibilities and future plans

Jens Hjerrild Hansen (The Nature Agency):

Protection of breeding Little Terns and Kentish Plovers on the Danish Wadden Sea Island of Rømø

Lunch and short walk at the Königshafen

Part 2: Danish Wadden Sea (continued)

Thomas Bregnballe (AU), Ulf Berthelsen (AU), Peter Tougaard (DOF) and John Frikke (NPV):

The harbour of Esbjerg as a breeding site for terns: Conflicts and the potential value of the harbour as a source habitat

Ole Thorup (Amphi Consult):

Status of Great Ringed and Kentish Plovers in the Danish Wadden Sea

Kim Fischer (Fanø Natur):
Breeding Kentish Plovers at the island of Fanø in 2015-2016

Part 3: Excursus into the western Wadden Sea

Dominic Cimiotti (Michael-Otto-Institut im NABU):
News from a Dutch workshop on beach breeding birds in Castrium, November 17th 2016

Part 4: Open discussion on future conservation or research needs and efforts, moderated by John Frikke

Closure of the workshop

Participants

Ole	Amstrup	Amphi Consult	Denmark
Mogens	Bak	Amphi Consult	Denmark
Gnep	Benjamin	Schutzstation Wattenmeer	Germany
Ulf	Berthelsen	AU / private	Denmark
Thomas	Bregnballe	Aarhus University	Denmark
Dominic	Cimiotti	Michael-Otto-Institut im NABU	Germany
Kim	Fischer	Fanø Natur	Denmark
John	Frikke	The Wadden Sea National Park	Denmark
Klaus	Günther	Schutzstation Wattenmeer	Germany
Bernd	Hälterlein	National park administration Schleswig-Holstein	Germany
Jens Hjerrild	Hansen	The Danish Nature Agency	Denmark
Morten Bentzon	Hansen	Agency for Water and Nature Management	Denmark
Bent	Jakobsen	Blåvand Fuglestation	Denmark
Walter	Körnig	Erlebniszentrum Naturgewalten	Germany
Esther	Lutz		Germany
Andrea	Maier	Bio-Consult SH	Germany
Hans-Ulrich	Rösner	WWF Deutschland	Germany
Lina	Schütte	Michael-Otto-Institut im NABU	Germany
Henrik Lykke	Sørensen	Agency for Water and Nature Management	Denmark
Joachim	Sprengel	NABU Hamburg, Ernst Commentz-Stiftung	Germany
Ole	Thorup	Amphi Consult	Denmark

Conveners

Dominic Cimiotti, John Frikke, Bernd Hälterlein
